

August 12,, 2015

Dear Parents,

It is hard to believe that summer is already winding down. The staff is energized and looking forward to the year ahead. We would like to take this opportunity to invite you and your child to Stepping Stones' Open House on Tuesday, September 8th.

The schedule for the first week of school, including open house times and class times are shown in the chart below. Please feel free to call with any questions.

We have scheduled a general information meeting for all **NEW** parents on Tuesday, September 8th at 7pm.

All parents should note that class orientations are scheduled Wednesday and Thursday, while your children are in their first day of class. All parents should plan to stay and meet with Karen upstairs and we will meet the children at the end of the morning on the playground. Coffee, tea and refreshments will be served. Please arrange childcare for younger siblings if at all possible.

Remember to bring your child's completed health form and developmental profile when you come to open house. Emergency cards will be given out at Open House. The state requires that all these forms be completed and on file prior to attendance.

We are looking forward to seeing you all again in September, but in the meantime, enjoy what's left of your summer.

Sincerely,
Karen, Kristen, Carmen & Nancy
